#### HONORING COACH DEAN SMITH

(Mr. WALKER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WALKER. Mr. Speaker, today, I rise to honor a great man who left his

mark—in fact, a legacy—on our State of North Carolina.

Coach Dean Smith retired as the winningest coach in FBS history, but many will remember Dean Smith as a pioneer in another arena. Dean grew up in a home that valued the inalienable human dignity conferred upon us by our Creator.

When Coach Alfred Smith, Dean's father, brought a young African American student on to his high school team, he did so against the wishes of the State's athletic association. By speaking truth to power, Alfred Smith stood up for a principle that he knew was right. No doubt this had a profound impact on his son, Dean.

Years later, Coach Dean Smith helped integrate ACC basketball by recruiting UNC's first African American player, Charlie Scott, in 1966.

During his tenure, the greatest rivalry in college basketball became Duke and UNC. In fact, Coach K of Duke University said it best:

While building an elite program at North Carolina, he was clearly ahead of his time in dealing with social issues. However, his greatest gift was his unique ability to teach what it takes to become a good man. That was easy for him to do because he was a great man himself.

Thank you, Coach Smith, for your investment into basketball but even more into the lives you touched.

#### MILITARY VOICES CAMPAIGN

(Mr. ASHFORD asked and was given permission to address the House for 1 minute.)

Mr. ASHFORD. Mr. Speaker, today I rise to honor the men and women from my district in Nebraska who have served and continue to serve our country. Often their service keeps them from their families for extended periods of time and too often leaves them with unnecessary obstacles to overcome when they return home.

For that reason, I am proud to announce that my office is launching our Military Voices Campaign. Over the next 6 weeks, my team and I will be meeting with folks in the military community on ways that we can help men and women who serve. Our goal is to build a network of support throughout the Second Congressional District.

Nebraska is home to some of the finest men and women to serve this country, and our entire congressional delegation is committed to giving them the benefits and opportunities that they have earned.

#### AMERICA'S SMALL BUSINESS TAX RELIEF ACT OF 2015

(Mr. EMMER of Minnesota asked and was given permission to address the House for 1 minute.)

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to applaud the House for passing America's Small

Business Tax Relief Act of 2015. I want to thank Congressman TIBERI, Chairman RYAN, and leadership for their work to pass this important piece of legislation.

If we want the United States to continue as the most productive economy in the world, we need to modernize our Tax Code. Allowing businesses to plan ahead and allocate their resources will generate wealth, jobs, and a higher standard of living for everyone.

Making section 179 of the Tax Code permanent is one way we can do this. Section 179 enables companies to accelerate depreciation of new and used equipment that is purchased and put into use during the same year. This expensing can stimulate business investment by reducing the cost of capital and increasing cash flow.

Investing in the future of America is critical to long-term growth and economic prosperity for all. I urge my colleagues to join me in support of this important legislation.

#### MARINE DISEASE EMERGENCY ACT

(Mr. HECK of Washington asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HECK of Washington. Mr. Speaker, part of the wonder of being a kid is discovering the world around us, you know, feeling the trunks of trees, picking up sticks, going to the beach, and picking up whatever you find, overturning rocks and looking for creatures. But around the Puget Sound and on the Atlantic coast and the Pacific, marine disease is ravaging sea stars, just like this, 20 species dying quickly, literally melting away.

When disease like this breaks out, how are we going to stop it? The truth of the matter is we have absolutely no system in place to respond—none. So today I introduce the bicoastal, bipartisan Marine Disease Emergency Act.

The Marine Disease Emergency Act speeds up the process to address these outbreaks, providing the right resources and the right time to the scientists and researchers so that they can respond quickly. Responding fast is crucial to preventing widespread exposure or, worst case scenario, extinction.

I ask my colleagues to please join me in supporting the Marine Disease Emergency Act.

#### THE FIGHT AGAINST PANCREATIC CANCER

(Mr. SALMON asked and was given permission to address the House for 1 minute.)

Mr. SALMON. Mr. Speaker, every day more than 116 people are diagnosed with pancreatic cancer. During my first tenure in Congress, I worked very closely with Dr. Sydney Elias Salmon, founding director of the Arizona Cancer Center. Together, we were able to
